

Baxter Restoration has several crews to assist with hurricane/tropical storm weather and any emergency response needs or if you need help securing any property or facility.

Adam Clancy is the point of contact and he will prioritize any emergency water restoration, dryouts, tarps/ roof protection, emergency power, sandbags, board-ups, mold remediation, fire, BIO or reconstruction needs. They operate 24/7 and will work with you on their preferred pricing tier/ self-pay basis or with insurance as needed.

Feel free to reach Adam directly on his cell at 323-572-7622 anytime, if you need their compliance/ insurance documentation or anything. He will make sure we allocate resources to you.
